Table of Allotments,  
FM Broadcast Stations.  
(Shingletown, California)

## NOTICE OF PROPOSED RULE MAKING

Adopted: April 19, 1995; Released: May 1, 1995

Comment Date: June 22, 1995

Reply Comment Date: July 7, 1995

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Mark C. Allen ("petitioner") requesting the allotment of Channel 232A to Shingletown, California, as that community's second local FM service. Petitioner stated his intention to apply for Channel 232A if it is allotted to Shingletown, as requested.

2. A staff review of the proposal reveals that Channel 232A can be allotted to Shingletown, California, consistent with the minimum distance separation requirements of Section 73.207(b)(1) of the Commission's Rules without a site restriction at coordinates North Latitude 40-29-33 and West Longitude 121-53-17.

3. Since an interest has been expressed in providing a second local FM service to Shingletown, California, we will propose to allot Channel 232A to that community. Therefore, we seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Shingletown, California, as follows:

City	Present	Channel No.	Proposed
Shingletown, California	287C2		232A, 287C2

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **June 22, 1995**, and reply comments on or before **July 7, 1995**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary.

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. *See Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.
